

## CIBSE Certification APEL Application - Professional Memberships - Quick reference

**CIBSE Certification accepts certain levels of membership as evidence that you satisfy the requirements of the National Occupational Standards. If you are a member of the following institutions at the level indicated then you do not have complete the sections of the APEL application relating to NOS Units 1.1, 1.2, 1.3 and 2.1. However, Unit 2.1 must be completed by Air Conditioning Inspector applicants.**
